complaining? Are you out of order, with your system de-ranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remtimely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered hu-mors — purify the blood, and let the fluids move on unobstructed in health again. disease A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, structs its natural functions. These, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep-seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely, cured by the same means.
